REPORTING A CASE

What to Report:
All reports are confidential and must include:
• Disease or condition reported
• Patient’s name, age, date of birth, sex, address (including city and county), phone number, and date of specimen collection, if applicable
• Physician’s name, address, and phone number

When to Report

Immediate Reports / Emergency Notifications
During business hours: Phone or fax all reports.
After hours: State Communications public health paging system (State Comm) at (800) 632-8000. A public health official will be notified.

1 Day Reports (required within 1 working day)
During business hours: Phone, fax, or via electronic reporting system.
After hours: If the reporting period falls on a weekend or holiday report to your public health district or State Epidemiology Program the next working day or you may call State Comm as above.

Routine Reports (required within 3 working days)
Phone, fax, mail, or via electronic reporting system all reports. A confidential State Epidemiology Program line is available: (800) 632-5927

---This is NOT an emergency hotline---
