

WE'RE PROTECTING OUR FAMILIES FROM COVID-19

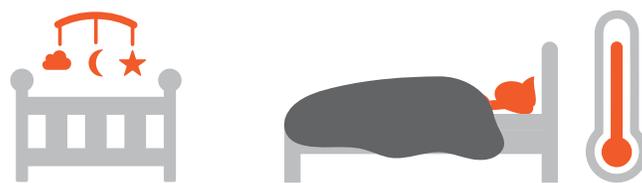

In response to Public Health direction, we:

- ✓ Screen caregivers and children daily for fever, cough, and shortness of breath.

- ✓ Ensure sick caregivers and children stay home.

- ✓ Ensure that children and caregivers frequently wash their hands.

- ✓ Clean and sanitize surfaces frequently.

Please help in protecting our community:

- Check your child's temperature daily.
- Keep children home if they are sick.

- Do not enter the child care if you are sick.
